

February 5, 2006

Dear Flint Ledge Home Owners Association:

I am writing to ask your approval of our plan to complete backyard fencing within our lot boundaries. As shown in the drawing below, we plan to build the new fences (dash lines) as an extension of existing ones (solid lines) and close at the ends. The proposed fence will match the existing ones in style, materials, height and color.

Thank you for your attention. Please feel free to contact me if you have any questions. I'm looking forward to hearing from you.

Yours,

Yifan Chen
