Subject: Exterior Paint Colors - Patricia Bott 2467 McCormick Road - Old Brown

Patricia Bott indicated that she recalled two additional trim colors (brown and burgundy), beyond the 1998 colors, being approved by the previous board. I spoke with Sharon Klumpus who recalls a request being approved to match the old brown but nothing else.

Consequently, I suggested to Patricia that she put her request in writing to use the old brown.

Jerry, please place a copy of this e-mail in the paint color file for future reference.

Thanks
Cliff
