Mr. Yifan Chen  
2425 McCormick Rd  
Rockville MD 20850

Dear Mr. Chen,

This letter is written to confirm that your plan for fencing your backyard was reviewed and approved. You may now submit your plans to the City of Rockville to obtain your building permit.

As per your stated plans, the fencing will be within your lot boundaries. The new fence will be an extension of the existing fencing and will match the existing fence in style, materials, height and color. The new fence will enclose your back yard with a gate facing the rear of your town house.
