

People Loving and Nurturing Trees

February 9, 2009

Dear Maryland Community **PLANT** Award Winner:

Congratulations! The Maryland Urban and Community Forest Committee (MUCFC) of the Maryland Association of Forest Conservancy District Boards and the Maryland Department of Natural Resources Forest Service are pleased to inform you that your Maryland Community **PLANT** Award application for 2008 has been approved for the **GREEN** Award.

An award presentation will be planned to publicly recognize the people and communities in Maryland that have enhanced their community forests during the past year. This award presentation will take place in April or May. We will be back in touch with you at a later date to let you know what plans have been made.

Your support of Maryland's long tradition of environmental stewardship in the community is to be commended. We appreciate your enthusiasm and hard work, and look forward to your continued participation in planting and caring for your local community forests in 2009.

Sincerely,

*Heather Montgomery*
