

Dear Rose Hill Resident

The Rose Hill Homeowners' Association Board of Directors is proud to announce the formation of new committees to better serve our community. These committees are as follows:

1) Architectural Control Committee: This committee is charged with the review and approval of any application for exterior modification. The committee members are:

Scott Godes
David Gozman
Robert Klien
Luigi Salvi
Craig Kay

2) Landscaping Committee: This Committee is charged with developing landscaping and beautification programs for our community. The committee members are:

Amy Gordon
Nicole Sadehe
Patricia Castillas

3) Finance Committee: This Committee is charged with reviewing the HOA financials and the investment strategy for our surplus funds. The committee members are:

Serge Ohana
Pete Deoudes
Baron Anschutz

Separately, in April of 2006, the community held a Town Hall meeting to discuss the topic of additions in our community. From that Town Hall meeting, and from additional research that the Board conducted as a result of that meeting, the Board generated guidelines to ensure that any home wishing to add an addition to its existing structure may do so in a way that is consistent with the plan for the Rose Hill community and in a way that does not adversely affect life in our neighborhood. These Guidelines are attached.

We as a Board are committed to tackling any issues that exist for Rose Hill residents. Please let us know how you are doing and what, if anything, we can do to maximize the resources we have as a community.

As always, we would like to remind the community that all information pertaining to Rose Hill can be found on our website www.therosehillhoa.com.

We hope that you enjoy the rest of your summer.

Sincerely,
